Professional Background

SHEN Xiaoyue graduated from East China University of Political Science and Law (respectively bachelor and master of laws). She possesses a solid foundation in legal theory and abundant experience in dispute resolution and commercial legal services. She is committed to using diversified approaches to solve legal issues and design viable equity structures.

In the field of dispute resolution, SHEN has handled several major and complex cases, including but not limited to disputes related to company equity, debt and guarantees, letters of credit, and banking finance, etc. She makes efforts on safeguarding the legitimate rights and interests of clients.

In the field of commercial legal services, SHEN has led or participated in several deals, including listings in Hong Kong Stock Exchange, domestic investment, mergers and acquisitions projects, financial bond issuances, and state asset disposal projects, providing comprehensive support for accomplishment of the deals.
