Professional Background

Mr. Chen Bin takes financial leasing, commercial factoring, Supply Chain Finance, corporate governance and equity investment as occupational directions. He mainly offers litigation and non-litigation services to clients and undertaking legal counsel services. Mr. Chen has studied in Japan for years. He has worked for the legal headquarters of Mizuho Bank (China) Co., Ltd in Tokyo, and Tokyo Century Leasing China Corporation respectively after graduation. More than 10 years of experience in the field of financial industry and legal risk management makes Mr. Chen a professional lawyer and manager. He has insights in non-bank financial fields such as financial leasing, factoring, and Supply Chain Finance. Now Mr. Chen serves as legal counsel for several financial companies. In one case of practical legal experience, it was a litigation dispute on financial leasing contract between a financial leasing company affiliated to a China Top 500 Energy Group and an oil drilling and mining company which cooperating with state-owned firms. During the debt collection and execution, he successfully recovers tens of millions of principal and interest. In another case of the consulting experience was for a financial holding company which operated by a famous white goods manufacturer in China. Mr. Chen has designed a structure for financial leasing cases, factoring and other projects in the fields of agriculture and automobile. With the rich experience in finance and related field, Mr. Chen has also provided the legal services for factoring transaction of financial leasing claims between a financial leasing company affiliated to SASAC (State-owned Assets Supervision and Administration Commission) in Suzhou High-tech Zone and a financial leasing company in Beijing specialized in the cultural industry.
