Professional Background

Since 2004, Mr. WANG has handled dozens of litigation and arbitration cases concerning commercial contracts representing his clients, which have been highly appraised by the clients. Meanwhile, Mr. WANG, being good at preventing corporate legal risks from the perspective of management, has worked as a perennial legal adviser for many companies, and has provided legal services for various companies regarding company commercial affairs (equity, investment, financing, guarantee), maritime issues (ship ownership, ship collision, shipping insurance), film and television media (film investment, production, publicity) in both litigation and non-litigation fields.
