Professional Background

Lawyer Dahui YUN has been a practicing lawyer for 24 years and has accumulated rich theoretical and practical experience in investment and financing, trust, insurance, corporate affairs, and other fields.

YUN is one of China's first wealth-planning lawyers. She undertook many large-scale projects and cases involving large financial institutions and central and state-owned enterprises. Lawyer YUN has also served many family enterprises in Guangdong, Hong Kong, and other areas for many years. Close cooperation with many domestic private banks, trust companies, insurance institutions, family offices, etc. At the same time, she has established strategic partnerships with financial institutions, family offices, trust trustees, law firms, insurance institutions, and other countries and regions in North America, Europe, Asia, Singapore, Japan, South Korea, Hong Kong, Macao, Taiwan, and other countries and regions.

Lawyer Yun has a broad vision, good communication and expression skills, a gentle and introverted personality, and gets along well with people, which clients highly praise.

Lawyer Yun's academic achievements include the following:

Editor-in-chief of Legal Risk Prevention of Art Investment, Law Press, 2018

Editor-in-chief of Family Wealth Management and Inheritance Law Practice, Law Press, 2019
