Professional Background

Ms. PANG has been working as a lawyer since 2011. During her practice, she has extensive experience in resolving civil and commercial disputes, involving banking and financial business, capital market and securities, intellectual property and other fields. She has represented a large number of complex contract disputes in the Supreme Court and Higher Court, and has earned good reputation in all cases. Lawyer Pang serves as the legal advisor to many large enterprises and institutions, and won unanimous praise from customers. She has both profound legal theory and rich practical experience.
