Professional Background

Mr. Yang had worked in the court for many years. He has been a full-time lawyer since 2007 and now is a partner of Hylands. With his profound theory foundation and rich practical experience, Mr. Yang can accurately grasp clients' demands and core interests, provide clients with all-round and multi-dimensional legal services, and formulate optimal and feasible solutions under the legal framework to maximize clients' interests. During his practice, Mr. Yang has successfully represented a large number of material, complicated, and widespread social impact litigation and arbitration cases for domestic and foreign clients, and has also helped clients successfully deal with emergencies, crisis public relations, and other matters. His professional competence, communication skills, dedication, and effective teamwork have won the trust and recognition of domestic and foreign clients.

Mr. Yang focuses on corporate legal services, disputes over corporate shares and control, investment and financing, NPA management, constructional engineering, and IP dispute resolution. His clients include financial institutions, listed companies, asset management companies, real estate companies, guarantee companies, Internet companies, etc.

Representative Cases:

Representing an investment management company in its dispute over the VAM with 1.8 billion yuan involved in total;

Representing a listed company as a legal consultant in its series of cases over guarantee, investment, and financing contract disputes with 1 billion yuan involved in total;

Representing a real estate company in its disputes over a construction contract about shantytowns transformation with the construction organization, with 1 billion yuan involved;

Representing a real estate fund in its dispute over a financial loan contract with 250 million yuan involved;

Representing a leading company in the petrochemical industry in its case over investment contract arbitration with a large Beijing SOE, with 200 million yuan involved;

Representing a famous media company in its series of disputes over a share transfer contract with a listed company, with 100 million yuan involved;

Representing an investment company in its dispute over a financing lending contract with a bank's Chengdu branch;

Representing a cartoon unicorn company in its dispute resolution case over the IP of its core trademark;

Representing a famous internet game company in its dispute case over the copyright and unfair competition of a well-known online game;

Representing a biotech research center in its case of retrial over a technology development contract with a Hong Kong company.
